

# The YESS Institute

*Youth Leaders Teaching Peers The Road to Success in School and Life*

## **The YESS Institute:**

A 501(c)(3) not-for-profit, facilitates peer mentoring afterschool programs to empower youth to be successful in school and life

## **The YESS Mission:**

Building EmoSmart Leadership skills within youth, their role models and organizations that support them.

*"We are eager to see our children develop into caring and productive members of our community, and believe that the YESS Institute will be a pivotal factor in the attainment of this goal. YESS is forging a new frontier in terms of youth enrichment activities."*

Office for Community Partnerships  
Denver Public Schools
